6th April 2018

We give God the praise for the successful end of the term. It has been peaceful and smooth sailing. We had stimulating and fascinating events this term such as the 15th Bi-annual Interhouse sports competitions, Literacy week, French Day and Family arts and crafts. We thank God that all events went well.

We want to express our gratitude to all our nursery parents who participated in the family arts and crafts day. We had over 50 parents in attendance and our pupils had a lovely time making various arts and crafts with mom and dad. More pictures are available on our website and Facebook page (Juniors Int'l School).

We wish to remind parents that upon resumption, it will be the promotional term and we appeal to parents to ensure that our pupils are gainfully occupied during the holiday and all assignments are done before resumption for the new term.

An exciting buzz has been going round in Juniors International School. We will be celebrating the faithfulness of God as a school as we turn 30 years on the 3rd of May 2018. We acknowledge that it can only be God that has made us a leading light and a pacesetter in the educational sector in Nigeria. The anniversary celebration will commence on the 1st of May and end on the 4th of May. More details can be found in this newsletter.

On behalf of the Chief Executive Officer, Evang. Mrs Lillian Bademosi, management and members of staff, I wish you a lovely Easter break.

Miss Dasola Bademosi
Head of School
