The 30<sup>th</sup> Anniversary Celebration was a glorious and beautiful event which took place over a four day period. The celebration started on the 1<sup>st</sup> May 2018 with a novelty match between JIS pupils and JIS mothers with JIS pupils emerging winners with three goals. The second match was between JIS teachers and JIS parents and ended in a tie. After the match, we set off to visit three orphanage homes: Tabitha Home, Jesus Kids and He careth orphanage. We fellowshiped, prayed and encouraged the children in the homes and donated some items. The second day started with a carnival procession where pupils, teachers, members of management and parents took to the street of Alaaafin Avenue and Ring Road with jubilation and delight. It was a colourful event. We held an inter-schools competition on the same day which comprised of a mathematics quiz, a debate and a spelling bee competition. Prizes and gifts were awarded to winners in the various categories. On the 3<sup>rd</sup> of May, which is the day Juniors International School was founded we had three events: Commissioning of a newly renovated block of classrooms and dedication of a newly drilled borehole at Oluyole Extension High School, a Thanksgiving service and a party for the pupils of JIS. The grand finale of the celebration was a gala night which held at Mauve21, Ring Road, Ibadan. The evening started with a red carpet event and Big Bolaji serenaded the event with praises and worship to God, a raffle draw with beautiful prizes were won, we launched our 30<sup>th</sup> anniversary magazine and the maiden album of JIS Choir, awards were presented to members of the school community and our stakeholders who have been dedicated to the school. A delicious two course meal with cocktails were served to all guests. It was a glorious end to the 30<sup>th</sup> anniversary celebration. We give all glory to God for the success of the programme. Special thanks to the planning committee comprising of parents, members of staff and management for your time and dedication in the planning of the event.
