21st February 2018

Dear Parent,

Wow! We are already half way through the session and it has been a wonderful first half term to the glory of God. The theme of this term is “The Word”. The word of God is a “lamp unto our feet” guiding us on a daily basis and a “light to our path”, directing and leading us to a greater future. May God continue to shine his light on us in Jesus name! Amen.

At JIS, we strive to build world leaders who will influence and impact their generation. Thank you for sharing in this vision. May the Lord God Almighty continue to bless you abundantly. Amen.

We started the Diction Challenge this term, where our pupils are tested on their ability to pronounce words accurately and we believe this will translate into them using proper diction in their speech at all times. We also introduced God’s Life Heritage, which is a seminar that is designed to address age-appropriate societal issues and includes a “Question and Answer” session to discuss issues raised.

On behalf of the Chief Executive Officer, Mrs. Lillian Bademosi, Management and Staff of Juniors International School, I want to thank all our parents who supported and participated in our Interhouse Sports on the 20th of February. To God be the glory.

We have some exciting events coming up in the second half of the term which are mentioned in this edition of the newsletter.

I wish you and our pupils a peaceful and beautiful midterm break.

Kind regards,

Miss Dasola Bademosi

Head of School
